

# NEW GAMES FROM AVALON HILL FOR FALL/CHRISTMAS '82

**MORE DETAILS INSIDE**

**THIS IS** a complete listing of all current games and their parts listed in group classifications. Parts which are shaded do not come with the game, but are variants and/or accessories to the game. Discontinued Avalon Hill games are listed on the last pages of this booklet.

**HOW TO ORDER:** Using the enclosed postage-paid Order Envelope, list the specific item(s) and price(s) in the spaces provided. If you are ordering an entire game, ignore the costs of the parts. If you do not have an Order Envelope, a blank piece of paper will suffice. In each case, please add up your order for a total cost figure. (Please: no questions should be written on orders to be processed.) No merchandise can be shipped on a C.O.D. basis, so you must pay in one of the following ways:

a) **CREDIT CARD:** give us your credit card number, expiration date, and name of the cardholder, for **AMERICAN EXPRESS, MASTER CARD, VISA, or CHOICE.** No other credit cards are accepted. The order envelope provides spaces for you to write in this information.

b) **TOLL FREE PHONE:** Avalon Hill will accept charges against the above four credit cards on a phone-in order. This call is **FREE.** Call: 1-800-638-9292, Operator #1. This **TOLL FREE** number is provided for your **credit card purchases only.** We are sorry, but our operators cannot supply you with other information.

c) **CHECK OR MONEY ORDER:** USA residents: please send us a check or money order for the total amount plus 10% postage. For example, if your total order comes to \$6.25, your postage would be \$.63, so your payment would be \$6.88 total. See postage charges printed elsewhere on this form for foreign postage costs. Do not send cash money; we cannot be responsible for loss of cash in transit. Please retain your canceled check or money order stub until your order has been received.

**FILL OUT ORDER ENVELOPE:** Be sure to include your name and shipping address, including apartment number and zip code in all appropriate places. Use an indelible ball-point pen.

**HOW WE SHIP:** We normally ship within 4-7 days of receipt of your order, however this will vary depending upon the time and season of the year. United Parcel Service (UPS) will be used whenever possible, so be sure someone is home to sign for your package, otherwise request your order by Parcel Post (PP). Third Class Mail is used on all packages less than one pound. APO, FPO, and P.O. Box Addresses will be sent by Parcel Post. If you should have a preference for one method of shipment, please state this on your order. Be sure to add proper postage charges shown on the Postage Chart to your payment (such charges are added automatically to credit card purchases).

**IN A RUSH?** We can cut the red tape and handle your credit card purchase on a **SPECIAL** basis, with

minimal delay. This **IN HOUSE** service will cost \$1.00 extra and guarantees that your order will be given priority. Simply ask for our "**SPECIAL SERVICE**". For an even faster service, we can send by **AIR MAIL.** These additional charges will be added to your charge slip. Ask for "**SPECIAL AIR MAIL SERVICE**".

**AVALON HILL'S LARGE FULL COLOR CATALOG** featuring Strategy Wargames, Science Fiction and Fantasy Games, Sports Games, Leisure Time Games, Microcomputer Games and more. **EA. \$1.00**

#### CHANGING YOUR ADDRESS?

Specify item(s) on separate sheet or order envelope, include \$1.00 per page—\$5.00 minimum per photostatic order. Postage rates apply. "The Avalon Hill General and Company Index" will assist you in finding out what has been available in the past.

**POSTAGE COUPONS:** Subscribers to The General and All-Star Replay receive **FREE** in most issues a postage coupon good for \$1.00 toward the postage required with every mail order for game purchases only.

**THE ELITE CLUB:** The Elite Club Membership is available to you when you make a one time purchase of six (6) different AH games by mail order. Avalon Hill **Microcomputer Games** invites you to write us for your complimentary copy of our **Microcomputer Games Newsletter**. Just send a self-addressed stamped envelope and we'll be happy to fire one off to you. Offer expires Dec. 31, 1982.

To order games, simply cross reference from the game title column to the top heading of cassette or diskette with your computer type to find whether the game is available for your computer, memory requirements, and the price of your selection(s).

Please **ALWAYS** specify cassette or diskette, and the type of computer on the order form. Due to the dynamic nature of microcomputer hardware, it is insurmountable for us to keep up with every manufacturer's update and/or revisions to their systems. If you are unsure as to whether a particular game is compatible with your hardware, PLEASE call Us at 301-254-5300, or better yet send your question(s) along with a self-addressed stamped envelope to the attention of Ogie Pinckowski, Customer Service.

**Note:** IBM version of **VOYAGER** requires the IBM Color/Graphics Adapter. Voyager on TRS-80 Color requires extended basic.

All Arcade Pak games use graphics and sound, otherwise these features apply to computers so equipped.

# PUZZLE STICKS®

A New Concept from The Avalon Hill Game Company

## What in the world are PUZZLE STICKS?

**PUZZLE STICKS** are the only new puzzle idea to be patented in several decades! They're a bundle of intriguing sticks with a mysterious code on both sides. To solve one of these multi-solution puzzlers calls for a keen sense of perception. Your eye must single out related shadings and density of print. To make a whole out of seemingly unrelated parts containing minute bits of information is the challenge. Each individual stick is almost exactly alike. Since each puzzle has more than one solution, the **PUZZLE STICKS** player must soon decide which picture to attempt first. And once complete, the picture on the other side might be hopelessly scrambled. An interlocking frame is included in each package.

We believe this to be just the sort of challenge demanded by Avalon Hill devotees; namely mind benders that are ambiguous, paradoxical, perplexing and deceptive, yet colorful and complex.

Each **PUZZLE STICK & PUZZLE STICK GAME** comes complete with box, rules, puzzle and interlocking frame.

	<u>PRICE</u>
<p>★ <b>GIBSON GIRLS</b> Two drawings of the late famous American artist, Henry Dana Gibson, have been transformed into optical illusionary works. See if you can find these beauties amongst the scrambled sticks.</p>	\$6.00

## INDEX—THE AVALON HILL GENERAL INDEX and COMPANY HISTORY 4 50

Catch up on your hobby's history. Within this booklet, you will be able to follow the growth of The Avalon Hill Game Company, who started it all way back in 1952.

You will also find a guide to every Avalon Hill game ever published and the content of each issue of *The General*, the company's official magazine. Now you will be able to secure every article from *The General* as well as out-of-print game components for yourself via Avalon Hill's photostatic service. Covers Volumes 1 thru 16.

**THE ALL-STAR REPLAY** is the sports game magazine devoted exclusively to the play and discussion of Avalon Hill/Sports Illustrated sports games (including *STATIS PRO* games). Are YOU looking for the best strategy, additional rules for your games, new variants, new teams and players? Do you want to stay in touch with the rest of the Avalon Hill sports game world? Six times a year we fulfill 36 colorful pages with the needs of dedicated Avalon Hill/Sports Illustrated games players.

## THE GENERAL

It doesn't take much of a pitch to sell *THE GENERAL* these days. It sells itself. Just take a look at the rest of the hobby press. There isn't a better buy for your dollar anywhere. *THE GENERAL* has 48+ pages of full color gaming material and no paid advertising. But we don't intend to stand on our laurels, and each year should see more steady improvements. A proven success, *THE GENERAL* will continue to evolve into the deluxe periodical of the hobby.

Every bi-monthly issue is jammed full of articles on Avalon Hill games. Written by the AH staff or wargaming experts and enthusiasts, articles range from historical tie-ins and background events to

strategy and tactics. Each issue usually has a *SERIES REPLAY*, a move by move recreation of a game between two expert players. There are also new product announcements, product reviews, and a contest that gives away over \$150 of merchandise each issue. In recent issues, there have been professional variants to certain games with special inserts containing new maps or counters. Finally, there is also a postage coupon in every issue, good for helping to pay the cost of a mail order.

No real hobby member can afford to be without a subscription to *THE GENERAL*. But if you're still not convinced, order a sample issue first (see current Parts List for cost). One look should be enough.

## The Avalon Hill Game Company

4517 Harford Road, Baltimore, MD 21214

The nature of game publishing dictates that we prepare advertising literature (such as consumer ads and new product releases) many, many months in advance of scheduled release dates. Occasionally we aren't able to complete a new game by that advertised release date. Unforeseen design and production problems dictate a choice: rush into production anyhow, or hold off until the problems are corrected. We always choose the latter. We have been in business for 24 years and intend staying in business selling only the highest quality products. If you still have doubts, simply hold off ordering. If you order anyhow, please understand your doing so releases us from the Federal guidelines covering mail-order delays.

# Discontinued Parts List 1982

This is our complete list of available discontinued games and parts. Please note, there are no boxes available except where we offer complete games. Many of these parts are in very short supply, and so orders will be filled on a first come, first served basis.
